NEWS!!

- We're pleased to report that finishing works are in full swing at our apartment blocks. Electrical, plumbing, ceiling materials, and tiles have already arrived on-site, with all remaining materials expected by January 2026. Larubibi Construction, known for its excellence in Kigali projects, is leading this final phase with precision and care.
- Meanwhile, the hotel block construction works continues to progress steadily, marking another milestone in our development journey.
- Beyond the construction site, our team proudly joined the Rubavu Tennis Tournament—an inspiring event that brought together sports lovers and community leaders from across the region. It was a joyful occasion to connect, support local initiatives, and celebrate the vibrant spirit of Rubavu.
- We're building more than structures - we're building community.
